THURSDAY NOVEMBER 11, 2021

10:30 - 11:00

Opening Ceremony - Welcome address

Professor Afksendiyos KALANGOS

President GFHM, Kalangos Foundation and Hearts for All Hellas, Greece

11:00 - 13:30

Session 1

Chair: *Kalangos A., Greece*

11:00 - 11:30

RAGINI, Pandey, Raipur, India

An overview on activities regarding free of charge humanitarian cardiac surgeries

11:30 - 12:00

ZHELEVA, Bistra, Minneapolis, MN, USA

Global burden of Congenital heart disease - an update

12:00 - 12:30

KUMAR, Krishna, Kochi, India

Threats to sustainability of paediatric heart care in LMICs: What are they and how can they be mitigated?

12:30 - 13:00

NOVICK, William, Memphis, TN, USA

Ethical considerations in cardiac surgery initiatives in LMIC

13:00 - 13:30

JENKINS, Kathy, Boston, MA, USA

Improving care for congenital heart disease

13:30 - 14:30

Session 2

Chair: *Jenkins K., USA and Lange R., Germany*

13:30 - 14:00

THANOPOULOS, Vassilis, Athens, Greece

Current status of pulmonary valve implantation after congenital heart surgery

14:00 - 14:30

PHOTIADIS, Joachim, Berlin, Germany

Fast tracking infant heart surgery - what is possible today

14:30 - 15:00

Session 3

Journal of Humanitarian Cardiovascular Medicine JHCVM

Chair: *Kalangos A., Greece*

14:30 - 15:00

TURINA, Marco, Zürich, Switzerland

Gap regarding accepted scientific articles between high and low income countries

VIDEO GALLERY

FRIDAY NOVEMBER 12, 2021

10:30 - 13:00

Session 4

Chair: *Novick W., USA and Ragini P., India*

10:30 - 11:00

LANGE, Ruediger, Munich, Germany

The surgical management of neonatal Ebstein's disease

11:00 - 11:30

JOVANOVIĆ, Ida, Belgrade, Serbia

Screening program of congenital heart defects in Serbia

11:30 - 12:00

KUMAR, Krishna, Kochi, India

Practical guidelines on decision making for CHD with pulmonary hypertension

12:00 - 12:30

MROCZEK, Tomasz, Krakow, Poland

Norwood operation for hypoplastic left heart syndrome

12:30 - 13:00

KALANGOS, Afksendiyos, Athens, Greece

The use of transcatheter valves for mitral and tricuspid valve replacement

13:00 - 13:30

Break

13:30 - 17:30

Session 5

Chair: *Kumar R.K., India and Photiadis J., Germany*

13:30 - 14:00

ZHELEVA, Bistra, Minneapolis, TN, USA

Sustaining our training efforts through advocacy for policy changes

14:00 - 14:30

NOVICK, William, Memphis, TN, USA

Medical diplomacy: The humanitarian side of positive statecraft

14:30 - 15:00

PHOTIADIS, Joachim, Berlin, Germany

Humanitarian cardiac surgery activities promoting paediatric heart surgery in low income countries

DROZDOVSKI, Konstantin, Minsk, Belarus

Experience of paediatric cardiac surgery in Belarus

15:30 - 16:00

DRAKOPOULOU, Maria, Athens, Greece

Special considerations in ACHD

16:00 - 16:30

KOSMIDIS, Diamantis, Thessaloniki, Greece

CUCH activities in Greece. How we started to create a sustainable program

16:30 - 17:00

LANGE, Ruediger, Munich, Germany

Ross surgery in children: the Munich experience with long term results

17:00 - 17:30

MBAROUK M, Abdulmajid, Tanzania

The current situation in the treatment of congenital heart defects in Tanzania and neighbouring countries. Project to set up a sustainable program of paediatric heart surgery

VIDEO GALLERY

SATURDAY NOVEMBER 13, 2021

09:30 - 11:30

Session 6

Chair: *Stoica S., UK and Tedy G., Lebanon*

09:30 - 10:00

PETROPOULOS, Andreas, London, UK

Organisation and functioning of a neonatal and paediatric intensive care unit

10:00 - 10:30

STOICA, Serban, Bristol, UK

Generating new knowledge via research - can humanitarian surgery play a part?

10:30 - 11:00

SHATELEN, Nataliya, Athens, Greece

The rheumatic fever and rheumatic mitral valve repair

11:00 - 11:30

TEDY, Georges, Beirut, Lebanon

Cardiac Surgery in Lebanon - A country in multiple crisis

11:30 - 13:30

Abstracts' Session and Closure

Chair: *Kalangos A., Greece, Shatelen, N., Greece*

OP1

CARDIAC CARE IN BELIZE: BUILDING A LOCAL, SUSTAINABLE PROGRAM FROM "SQUARE ONE"

Eric R. Skipper, Theresa R. Johnson, Francis Robicsek[†]

Atrium Health, Sanger Heart & Vascular Institute, Charlotte, North Carolina, USA

OP2

RURAL CARDIAC SCREENING: LEVERAGING TECHNOLOGY FROM A PREVIOUSLY ESTABLISHED ECHOCARDIOGRAPHIC NETWORK

Theresa R. Johnson, Eric R. Skipper, Francis Robicsek[†]

Atrium Health and Heineman Medical Outreach, Inc., International Medical Outreach, Charlotte, NC, USA

OP3

CONGENITAL HEART DISEASE IN HONDURAS, A PUBLIC-PRIVATE-INTERINSTITUTIONAL INITIATIVE TO DEVELOP CARE IN A LOW-INCOME ECONOMY COUNTRY

Victor A. Paz Flores

Hospital Maria Especialidades Pediatricas, Francisco Morazan, Tegucigalpa, Honduras

OP4

CEA SMALL COUNTRY PROGRAM DEVELOPMENT

William Novick

The William Novick Global Cardiac Alliance

OP5

AN INTEGRAL HEALTHCARE MODEL TO REDUCE DISPARITIES ON HEALTH ACCESS TO TREAT CONGENITAL HEART DISEASES

Ronderos M., Cabrera S., Herrera C., et al

Cardioinfantil Foundation (Fundación Cardioinfantil - Instituto de Cardiología), Pediatric Cardiology and Social Responsibility, Bogota, Colombia

OP6

PREVALENCE OF CRITICAL CONGENITAL HEART DISEASE DURING HUMANITARIAN MISSIONS - PROGRAM SCREENING BY SENTINEL CASES

Marcelo Cardarelli, MPH, Frank Molloy, William Novick

Inova Children Hospital, Great Ormond Street Hospital for Children, The William Novick Global Cardiac Alliance

OP7

POSTOPERATIVE COMPLICATIONS IN A PEDIATRIC CARDIAC SURGERY PROGRAM WITH LIMITED SYSTEMIC RESOURCES

Polivenok I.V.^{1,2}, Pyetkov O.V.³, Cardarelli M.², Novick W.²

1. Zaitcev V.T. Institute of General and Urgent Surgery, Kharkiv, Ukraine

2. William Novick Global Cardiac Alliance, Memphis, TN, USA

3. Kharkiv Medical Academy of Postgraduate Education, Kharkiv, Ukraine
