Bladder Cancer

Καρκίνος της ουροδόχου κύστης

**14-15** Μαρτίου **2014**  
Αθήνα | Athens

# Επιστημονικό Πρόγραμμα

## Παρασκευή 14 Μαρτίου 2014

- 17.00 - 17.30 **Προσέλευση**
- 17.30 - 18.00 **ICUD Κατευθυντήριες γραμμές για τον καρκίνο της ουροδόχου κύστης. Διάγνωση και Αξιολόγηση**  
**Ανδρέας Σκολαρίκος**
- 18.00 - 18.30 **Ουροθηλιακοί όγκοι της ουροδόχου κύστης - MCQs**  
**Ανδρέας Σκολαρίκος**
- 18.30 - 18.50 **TURBT τεχνική - Παρουσίαση βίντεο**  
**Ανδρέας Σκολαρίκος**
- 18.50 - 19.30 **Μη - μυοδιηθητικός καρκίνος της ουροδόχου κύστης (Ta, Tis, CIS) - MCQs**  
**Ανδρέας Σκολαρίκος**
- 19.30 - 19.45 **Διάλειμμα**
- 19.45 - 20.30 **Η προσέγγιση του Cambridge στη θεραπεία του μη - μυοδιηθητικού καρκίνου της ουροδόχου κύστης**  
**Alexandra Colquhoun**
- 20.30 - 21.00 **Κοινή λήψη αποφάσεων - DVDs με υποστήριξη ασθενών σε απευθείας σύνδεση**  
**Alexandra Colquhoun**

## Σάββατο 15 Μαρτίου 2014

- 08.30 - 09.00 **Προσέλευση**
- 09.00 - 09.30 **ICUD: Κατευθυντήριες γραμμές από την ομάδα εργασίας για την παθολογική ανατομία του καρκίνου της ουροδόχου κύστης**  
**Ανδρέας Σκολαρίκος**
- 09.30 - 10.00 **Οι βιολογικοί δείκτες στον καρκίνο της ουροδόχου κύστης**  
**Αθανάσιος Παπατσώρης**
- 10.00 - 10.30 **Χαμηλού βαθμού κακοήθειας Τα καρκίνος της ουροδόχου κύστης**  
**Γεράσιμος Αλιβιζάτος**
- 10.30 - 11.00 **Υψηλού βαθμού κακοήθειας Τα T1 CIS καρκίνος της ουροδόχου κύστης**  
**Ιωάννης Βαρκαράκης**
- 11.00 - 11.15 **Διάλειμμα**
- 11.15 - 11.45 **Συζήτηση Περιπτώσεων: Δύο περιπτώσεις για μη - μυοδιηθητικούς όγκους**  
**Alexandra Colquhoun**
- 11.45 - 12.30 **BCG έναντι Κυστεκτομής**  
**Alexandra Colquhoun**
- 12.30 - 13.00 **Συζήτηση Περιπτώσεων: Δύο περιπτώσεις για BCG έναντι Κυστεκτομής**  
**Alexandra Colquhoun**
- 13.00 - 13.30 **Διαχείρισης του μεταστατικού και διηθητικού καρκίνου της ουροδόχου κύστης - MCQs**  
**Ανδρέας Σκολαρίκος**

13.30 - 14.00	ICUD - Μυοδιθητικός καρκίνος της ουροδόχου κύστης Ιωάννης Βαρκαράκης
14.00 - 14.30	Μεσημβρινή Διακοπή
14.30 - 15.00	Χειρουργική του καρκίνου της ουροδόχου κύστης / Ρομποτική και λαπαροσκοπική χειρουργική κύστης - MCQs Ανδρέας Σκολαρίκος
15.00 - 15.30	Διατήρηση της ουροδόχου κύστης έναντι της ριζικής κυστεκτομής Αθανάσιος Παπατσώρης
15.30 - 16.00	Η τυπική τεχνική του Cambridge για την κυστεκτομή Alexandra Colquhoun
16.00 - 16.30	Επιλογή εκτροπής των ούρων Alexandra Colquhoun
16.30 - 17.00	Συμμετοχή του προστάτη στο ουροθηλιακό καρκίνωμα Γεράσιμος Αλιβιζάτος
17.00 - 17.15	Διάλειμμα
17.15 - 17.45	Συζήτηση περιπτώσεων με διηθητικό καρκίνο της ουροδόχου κύστης Ανδρέας Σκολαρίκος
17.45 - 18.30	Επανορθωτικές τεχνικές Alexandra Colquhoun
18.30 - 19.15	Αποτελέσματα κυστεκτομής στο Cambridge / Development of the muscle invasive bladder cancer pathway Alexandra Colquhoun
19.15 - 20.00	Μη ουροθηλιακό καρκίνωμα της ουροδόχου κύστης Alexandra Colquhoun

## Scientific Program

**Friday, March 14, 2014**

17.00 - 17.30	Opening
17.30 - 18.00	ICUD Guidelines on Bladder Cancer Diagnosis and Evaluation Andreas Skolarikos
18.00 - 18.30	Urothelial tumors of the bladder - MCQs Andreas Skolarikos
18.30 - 18.50	TURBT technique video presentation Andreas Skolarikos
18.50 - 19.30	Non-muscle invasive bladder cancer (Ta, Tis, CIS) - MCQs Andreas Skolarikos
19.30 - 19.45	Break
19.45 - 20.15	The Cambridge approach to the treatment of non-muscle invasive bladder cancer Alexandra Colquhoun
20.15 - 20.45	Shared decision making - Online patient support DVDs Alexandra Colquhoun

# Scientific Program

**Saturday, March 15, 2014**

- 08.30 - 09.00      **Opening**
- 09.00 - 09.30      ICUD: Consensus guidelines by the pathology of bladder cancer  
work group  
**Andreas Skolarikos**
- 09.30 - 10.00      Biologic markers in bladder cancer  
**Athanasios Papatsoris**
- 10.00 - 10.30      Low grade Ta disease  
**Gerasimos Alivizatos**
- 10.30 - 11.00      High grade Ta T1 CIS  
**John Varkarakis**
- 11.00 - 11.15      **Break**
- 11.15 - 11.45      Case discussion of two cases for non-muscle-invasive tumors  
**Alexandra Colquhoun**
- 11.45 - 12.30      BCG vs Cystectomy  
**Alexandra Colquhoun**
- 12.30 - 13.00      Case Discussion: Two cases on BCG vs Cystectomy  
**Alexandra Colquhoun**
- 13.00 - 13.30      Management of metastatic and invasive Bladder cancer - MCQs  
**Andreas Skolarikos**
- 13.30 - 14.00      ICUD Muscle - invasive bladder cancer  
**John Varkarakis**
- 14.00 - 14.30      **Lunch Break**
- 14.30 - 15.00      Surgery for bladder cancer /  
Robotic and laparoscopic bladder surgery - MCQs  
**Andreas Skolarikos**
- 15.00 - 15.30      Bladder preservation vs Radical cystectomy  
**Athanasios Papatsoris**
- 15.30 - 16.00      The standard Cambridge cystectomy technique  
**Alexandra Colquhoun**
- 16.00 - 16.30      Choice of urinary diversion  
**Alexandra Colquhoun**
- 16.30 - 17.00      Prostate involvement of by urothelial cell carcinoma  
**Gerasimos Alivizatos**
- 17.00 - 17.15      **Break**
- 17.15 - 17.45      Case discussions for invasive bladder cancer  
**Andreas Skolarikos**
- 17.45 - 18.30      Reconstructive techniques  
**Alexandra Colquhoun**
- 18.30 - 19.15      Cystectomy outcomes at Cambridge /  
Development of the muscle invasive bladder cancer pathway  
**Alexandra Colquhoun**
- 19.15 - 20.00      The non - urothelial Ca bladder cancer  
**Alexandra Colquhoun**

### **Alexandra Colquhoun**

She is a member of the Cambridge University Hospitals team for aggressive bladder cancer (Bladder Oncology Service). She trained at the University of Leicester, and trained in Surgery and Urology in Leicester, Nottingham, Derby, and at the University of Toronto, before she started as a consultant at Addenbrooke's in 2011.

### **Gerasimos Alivizatos**

He is a graduate of McGill University in Montreal, Canada (Bachelor of Science). Graduated from the Medical Faculty of the University of Athens in 1984 and in 1992 acquired the title of the specialty of Urology. He was also trained for a year in Nijmegen, Holland by the Onassis Foundation scholarship (Prof. F. Debruyne). He served in 2<sup>nd</sup> Department of Urology, University of Athens, Sismanoglio General Hospital from 1994 until 2008, when he retired with the rank of Associate Professor. Since September 2008 he is the director of the 3<sup>rd</sup> Urological Department at "Hygeia" Hospital. He has participated in four international multicentre studies and has been invited as a speaker at 29 international conferences.

### **Athanasios Papatsoris**

He studied medicine at the University of Patras, where he received a postgraduate diploma specialization (MSc) in applications of basic medical sciences (Pathobiochemistry). He acquired the title of the specialty of Urology at the 2<sup>nd</sup> Department of Urology, University of Athens, Sismanoglio General Hospital and his PhD in Athens Medical School. In 2007, he became Fellow of the European Board of Urology and is now examiner for candidates FEBU. He had a two years training in Endourology in London and became a Fellow in Endourology on 2009. Also, with a scholarship from the European Association of Urology he went to the Du Pre, at Le Mans in France. In 2009 he became a Lecturer of Urology at Athens Medical School and has since been working in the 2<sup>nd</sup> Department of Urology, in Sismanoglio General Hospital. Since 2011, he is an instructor at IRCAD / EITS in Strasbourg, France. He, also, is a member of the Committee of Young Academic Urology Working Party and the EAU section of Urolithiasis. In 2013 he became an Assistant Professor of Urology at Athens Medical School.

### **Andreas Skolarikos**

He studied medicine at the University of Ioannina, Greece and took his specialty in the 2<sup>nd</sup> Department of Urology, University of Athens, where he received his PhD. His postgraduate studies were in Laparoscopic Urology and Endourology of the Urinary Tract in the Urological Department of the University of Newcastle upon Tyne, UK. On his return to Greece he was appointed Lecturer in Urology and then progresses to Assistant Professor in the University of Athens where he works until today. His research work is on the Oncology Urogenital System, the Gritty Urinary, the BPH, Endourology and Laparoscopic Urology. He is Chairman of the Endourology Department of the European Society of Ourotechnology, member of the group of clinical guidelines for Urolithiasis of the European Association of Urology and member of the Audit Committee of the American clinical trials Endourology Society.

### **John Varkarakis**

He graduated from the Athens Medical School (1993). He completed his training in urology at the 2<sup>nd</sup> Department of Urology in Sismanoglio General Hospital and in 2001 acquired the title of specialty and received his doctorate from the University of Athens. In July 2001 started retraining at Johns Hopkins Hospital, The Brady Urological Institute, USA. Then in July 2002 he went to Innsbruck in Austria where as Clinical Fellow in Advanced Laparoscopy continued his education at laparoscopic surgery. In June 2003 he returned to Johns Hopkins Hospital, U.S. As Research fellow he had the opportunity to deal with two years research in many areas of the urologic oncology. Since December 2008 he serves as Assistant Professor at the 2<sup>nd</sup> Department of Urology, Athens Medical School, Sismanoglio General Hospital.
